

MEDICAL DISCLAIMER

All information and opinions offered in connection with Handcrafted Health and Thrive Through Menopause, including but not limited to text, graphics, images, and other material such as recipes, diet plans, or other information contained on the Website (“Content”) and any emails, communications or notifications, are presented solely for informational purposes and are not intended to replace the services of a doctor or other qualified medical professional. Always seek the advice of your qualified health professionals regarding any medical conditions.

If purchasing any products, please read all product labels before use. While we attempt to provide as much information as possible regarding side effects and product contraindications, we may fail to cover all pertinent information.

The Thrive Through Menopause program is not recommended for everyone, and before commencing this program or any other nutritional or dietary regimen, you should consult with your qualified health care provider in order to assess any potential benefits or risks to you with consideration of your personal medical situation. Should you experience any adverse reactions during The Thrive Through Menopause program, contact your health care provider immediately.
